

3-DIMENSIONAL STAR ORNAMENT

Supplies:

1. 4x6 unlined cards
2. Scissors
3. Gift Wrap (optional)
4. Glue Stick (if using optional gift wrap)
5. Transparent Tape
6. Curling Ribbon

Instructions:

1. Trace star onto 4x6 unlined card, using pattern, and cut out.
2. Leave plain or cut another star from gift wrap. (Foil gift wrap would look especially nice.) If using gift wrap, lightly glue edges of plain star and attach gift wrap star to it.
3. Fold star forward on a straight line from Point A to Point B. Repeat for Point C to Point D.
4. Fold star backwards on a straight line from Point E to Point F. Repeat for Point G to Point H.
5. Cut a piece of curling ribbon 10" long. Snip the ribbon about 1/16" in and tear a strip about 1/16" wide. Double the strip and tie a knot about 2 1/2" from end of loop. With knot just below top of star, tape down loose ends of ribbon on vertical fold in top half of star. (If star doesn't face front when hung on tree, twist knot on the ribbon.)
